

► **MORE THAN ENERGY SAVINGS**

LED Lighting can improve the appearance of your merchandise, increase sales while reducing your energy and maintenance costs.

No lighting technology offers as much promise as LED. PNW Lighting can help re-light your store with the brightest and most stunning LED lamps available.

With a range of beam patterns and color options available LED lamps offer the flexibility to highlight or provide contrast.

For a business that is open 10 hours a day 7 days a week, most LED lamps are expected to last 13 years before needing replacement. Eliminating replacement lamps costs, saving energy and realizing aesthetic benefits that increase sales make LED lighting a competitive advantage.
